FAMILY TRAVEL WITH ENHANCED ACCOMMODATIONS**  
*Bookings now open for the resort's new Two Bedroom Villas with Plunge Pools,  
plus new Waterfront Double Suites now available and sleep up to 5 people*

**DEERFIELD BEACH, Fla.** – Award-winning [Elite Island Resorts](#), curator of authentic Caribbean All-Inclusive vacations, is celebrating family travel with the opening of six brand-new Two Bedroom Villas with Plunge Pools at the family-friendly [The Verandah Resort & Spa](#) in Antigua. Surrounded by lush tropical greenery, the new Villas enjoy a prime location, expansive floor plans and partial ocean views.

Boasting their own sun decks with loungers and plunge pools, the Villas offer the ultimate in private luxury and exclusive amenities. Tailored for family living, comfortably appointed suites feature two bedrooms, the first with a king-size bed and the second with two twin beds. A spacious living room and dining area combine with such conveniences as a refrigerator, microwave oven, coffee maker and other touches to provide all the comforts of home for the perfect family vacation, reunion or small group outing, such as a fun girlfriends' getaway. The new Villas can comfortably accommodate up to six people. Take a video tour of a Villa at <https://vimeo.com/207318962>.

Additionally, the resort's popular Waterfront Suites, offering stunning panoramic views of the Caribbean Sea, now feature an option to have two double beds instead of a single king-size bed. With its separate queen-size sleeper sofa, the Waterfront Double Suite can now accommodate up to five guests, making it an ideal option for a memorable family vacation. An exterior connecting door on the verandah between adjoining units also makes it convenient for family and friends to stay together. With 18 Double Suites currently available, an additional 18 are slated to open by June 15, 2017.

"The fantastic new Two-Bedroom Plunge Pool Villas at The Verandah Resort & Spa, Antigua embody the resort's natural beauty and authentic Caribbean character and echo the breezy tropical charm of Antigua," said Steve Heydt, President of Elite Island Resorts. "Besides enjoying the authentic island vibe of these Villas, parents will appreciate having a separate room for the kids and plenty of common space for enjoying family time together."

Elite Island Resorts also offers two other resorts with standout accommodations for family vacations, including Antigua's [St. James's Club & Villas](#), which offers Two- and Three-Bedroom Villas featuring residential-style amenities and an expansive common area; and [St. James's Club Morgan Bay](#) in St.

Lucia, where families can relax and recharge in spacious Family Suites that feature a king-size bed plus an interconnecting bedroom with two double beds for the kids, comfortably accommodating up to five guests.

Complementing these family-friendly accommodations at the three resorts is a wealth of fun and exciting activities designed to enable families to spend enriching moments together -- from swimming in freshwater pools and building castles in the sand to guided nature walks, snorkeling and non-motorized water sports. Additionally, parents can enjoy adult time for themselves and peace of mind with on-site supervised Kids' and Teens' Clubs.
