Experience the Best in Laid-Back Luxury from home

Elite Island Resorts is thrilled to commemorate the New Year with a new edition of Elite Connect.

As a cornerstone of luxury travel across the Caribbean and Panama, we strive to exceed the expectations of our guests, travel professionals and advertising partners.

While our work is never done, we are proud to take the time to recognize the efforts made by all to achieve our high standard of excellence in what is arguably one of the most competitive industries in the world.

In just four short months since our last edition of Elite Connect, we have welcomed and trained new staff members, built new partnerships, introduced new and exciting amenities across our resorts, as well as produced a myriad of social, print and advertising video content to better promote our impressive collection of properties.

There is much to celebrate and even more to look forward to.

Until next time,

The Elite Island Resorts Team

ANTIGUA

Winner of Two **GOLD** Magellan Awards

Hammock Cove Antigua recently won two of Travel Weekly's 2022 GOLD Magellan Awards for:

- **Best Overall Luxury Resort**
- **Luxury 5-Star Guest Room Design**

The Magellan Awards honor the best in travel and salute the outstanding travel professionals behind it all. We are honored to be your preferred luxury escape destination in the Caribbean and hope to welcome you soon!

Most Totally Over the Top 2023 Noble Beach Prize Winner

Hammock Cove Antigua is proud to announce its recognition by Cheap Caribbean as the 2023 Noble Beach Prize winner for Most Totally Over-The-Top.

In addition to sharing this momentous achievement with its vast internal network of travel professionals and advertising partners, Cheap Caribbean will visit Hammock Cove later this year to collect content to further promote our 5-Star pillars of excellence: gastronomy, personalized service and uninterrupted luxury.

A New Era of Water Sports

Since our opening in December 2019, Hammock Cove Antigua has been known for "Introducing a New Era of Luxury" to the all-inclusive Caribbean resort market. Now, we have expanded upon that to bring you a new era of water sports. With new transparent kayaks and paddle boards, our valued guests can experience the absolute best of our stunning white-sand beach and aquamarine Caribbean Sea.

A New 'Brand' of Fun

As our premier 4-star resort in Barbados, The Club Barbados has officially dropped "resort & spa" from its name, earning it a new stand-alone title. This new branding is better aligned with our high standards in leisure and service, and is the first step towards new and exciting upgrades that are coming soon to this already impressive property.

Improved Tools To Help You Sell

In keeping with our new brand, we are proud to present our travel advisors with new and improved tools to help sell The Club Barbados to your clients. Among those is our fully redesigned fact sheet that serves as a comprehensive guide to all the restaurants, bars, activities and amenities available at the resort.

In addition, we have modernized our training presentations to provide better insight into our room categories, tours, excursions and travel advisor incentives. We have also refreshed our website with a new user-friendly navigation system, as well updated our theming to better suit our vision going forward.

The Crown Jewel of The Grenadines

Palm Island Resort & Spa is proud to have earned a new trademark in 2023 as the 'Crown Jewel' of The Grenadines by Travel + Leisure.

Selling the dream of a private island escape, the renowned travel publication described the luxe 135-acre resort as an oasis of unspoiled beaches lapped by crystal-clear waters that offer a "perfect blend of 'Cast Away' remoteness and the luxurious conveniences of a modern, five-star hotel."

Best Private Island Resort in the Caribbean

Adding to its already expansive list of awards, Palm Island Resort & Spa won 'Best Private Island Resort in the Caribbean' as part of the Caribbean Journal's 2022 Travelers' Choice Awards.

As the world's foremost experts on Caribbean travel, Caribbean Journal readers travel to the Caribbean multiple times each year to scour the region for the newest and greatest in luxury travel. Only the best of the best receive Travelers' Choice Awards.

As the largest community in the world of frequent travelers to the Caribbean, it is an honor to be recognized by such a distinguished group of travel professionals.

Accommodations & Amenities

In the last edition of Elite Connect, we welcomed the new addition of our 4,000 square-foot luxury Seahorse Villa. Since then, we have used the same level of luxury used to design our villa to inspire upgrades throughout the property.

Our newly renovated Island and Beachfront Lofts now offer an elevated experience with true island flare, and that's just the beginning. Guests will love relaxing on our new floating water hammocks and exploring the Caribbean waters at their own pace with our transparent paddle boards and kayaks.
